Appendix

Table A1: average and standard deviation by group and year

Year	NWF	Mean	Standard Deviation
2022	Bangkok	0.5	0.808
2022	Mongolian	-0.687	-
2022	No NWFZ	0.611	0.991
2022	Pelindaba	-0.591	0.61
2022	Rarotonga	0.629	0.31
2022	Semei	0.785	-
2022	Tlatelolco	-0.896	0.619
2023	Bangkok	0.412	0.844
2023	Mongolian	-0.164	-
2023	No NWFZ	1.032	1.06
2023	Pelindaba	-0.279	0.605
2023	Rarotonga	0.797	0.681
2023	Semei	1.002	-
2023	Tlatelolco	-0.378	0.916

Table A2: Description of the variables

	Number of observations	Mean	Standard deviation	Minimum	Maximum	Skew
Position on TPNW	62	-0.192	0.955	-1.855	2.132	0.338
Agreement with the US at UNGA	54	0.434	0.127	0.192	0.733	0.87
NWFZ	60	0.767	0.427	0	1	-1.23
Bangkok	60	0.117	0.324	0	1	0.329
Mongolian	60	0.017	0.129	0	1	7.363
No-NWFZ	60	0.233	0.427	0	1	1.223
Pelindaba	60	0.2	0.403	0	1	1.467
Rarotonga	60	0.833	0.278	0	1	2.940
Semei	60	0.017	0.129	0	1	7.363
Tlatelolco	60	0.333	0.475	0	1	0.69
GDP in (in Billions of dollars)	52	314.287	596.923	0.188	3618.134	3.709
Military expenditure over GDP	47	1.144	0.757	0	3.905	1.377
Intra-state conflict	62	0.97	0.298	0	1	2.662
Level of democracy	58	0.514	0.261	0.134	0.899	-0.84
