A detailed, aged world map with a compass rose in the upper right corner. The map is divided into four quadrants by a central cross representing the equator and a prime meridian. The quadrants are labeled 'AMERICA', 'AFRICA', 'EUROPA', and 'ASIA'. The map is decorated with various geographical features, including mountains, rivers, and cities. The compass rose is a circular instrument with a brass-colored frame and a yellow face. It has a central needle pointing towards the top, which is labeled 'N' for North. The face of the compass is marked with degrees from 0 to 360, with cardinal directions (N, E, S, W) and intermediate directions (NE, SE, SW, NW) labeled. The map itself is a historical style, with a grid of latitude and longitude lines. The text 'ORBITA TERRARUM' is visible at the top left, and 'MARE DEL NORT' is visible in the center. The overall tone is sepia and historical.
